Powertech Battery Charger | Products & Suppliers ...

Eagle Eye Power Solutions, LLC NEW Industrial Float Battery Chargers! The BC-1000 is a stationary float battery charger designed for use in utility, switchgear, and other industrial environments. Nominal ratings include models at 24, 48, or 130 volts DC and 6 to 50 amps DC.

PowerTech

Standalone battery chargers with high output power are particularly used in high-speed trains. For regional and long distance traffic, battery chargers with a capacity between 5 and 20 kW are suitable. With their temperature-compensated charging, Knorr-Bremse PowerTech high-performance units protect the vehicle battery.
